Strategies

- Wilton Park Conference May 2006 – Peace and Security: Implementing UNSCR 1325
- GAPS key partner - Associate Parliamentary Group on Women, Peace and Security
- Forming transnational links with other organizations working on similar issues – Widows for Peace through Democracy and Women’s Human Rights Single Women Group, Kathmandu, Nepal
- Awareness raising and acting as a check and balance on UK Government policies on Women, Peace and Security and UNSCR 1325

Facing Forwards

- Short-term, results-based actions should not detract from long-term actions designed to support human security and gender equality
- Key Actors responsible for implementing National Action Plans on UNSCR 1325 should be held accountable
- Engage committed Men and Women who will champion gender
